Cancellation/ Late Arrival/ No Show Policy

Our goal is to provide quality medical care in a timely manner. To do so we have implemented an appointment/cancellation policy. The policy enables us to better utilize available appointments for our patients in need of medical care.

Should you need to cancel or reschedule an appointment please contact our office as soon as possible, and no later than 24 hours before your scheduled appointment. This gives us time to schedule other patients who may be waiting for an appointment. Please see our appointment Cancellation/No Show Policy below.

- Any established patient who fails to show or cancels/reschedules an appointment and has not contacted our office with at least 24 hours notice will be considered a No Show and may be charged a $50 No Show fee.
- If a third No Show or cancellation/reschedule with no 24-hour notice should occur the patient may be dismissed from Southeastern Spine and Joint.
- Any new patient who fails to show for their initial visit will not be rescheduled until they get a new referral to Southeastern Spine and Joint.
- If you are over 15 minutes late for your appointment the clinic will be asked if they are able to work you back into that day's schedule. If they are able to you will have to wait for the clinic to have an opening to see you.
- If you are late by 30 minutes or more you will be considered a No Show.

We understand there may be times when an unforeseen emergency occurs and you may not be able to cancel 24 hours in advance. If you should experience extenuating circumstances please contact our Front Office Manager at 423-693-2175.
